

Captain (f/m/d) – Cessna C525 Series

Full-time · Business Jet Aviation

We are hiring – and maybe we are looking exactly for you!

As a C525 Captain at BJA – Business Jet Aviation, you will take responsibility for demanding charter flights across Europe and occasionally beyond. You ensure safe, efficient, and professional flight operations – always in accordance with EASA Part-CAT and our internal standards.

Key Responsibilities

- Command on Cessna C525 series aircraft (CJ2)
- Ensuring safe, reliable, and customer-oriented flight operations
- Compliance with all EASA, AOC, and company regulations
- Professional and confident interaction with passengers, partners, and stakeholders
- Active contribution to the continuous improvement of our flight operations
- Exemplary CRM and safety mindset

Your Profile

- EASA ATPL(A) or CPL(A) with ATPL(A) credit
- MCC, advanced UPRT
- C525 Type Rating (preferred, not mandatory)
- Class 1 Medical
- Minimum 1,700 hours total flight time
- EU work permit & valid EU passport
- Strong communication skills, team spirit & customer-focused attitude

- Fluent English (ICAO Level 4 or higher)
- Driving license

What You can Expect at BJA

- Open-base concept (flexible residence, focus on Germany)
- Stable and predictable duty schedule
- Attractive and fair compensation model
- Additional benefits and compensation components
- Small, dedicated team with short decision-making paths
- Modern, well-maintained CJ2 fleet
- Rapid growth – real development opportunities

About BJA - Business Jet Aviation

Business Jet Aviation (BJA), based in Berlin, is a growing German business jet operator known for reliability, strong customer focus, and lean decision-making structures.

We currently operate two Cessna CJ2 aircraft and are continuously expanding our fleet and our team. From Berlin, we coordinate charter flights across Europe for private and corporate clients who value flexibility, comfort, and professionalism.

If you are looking for a dynamic environment, a motivated team, and a company that is steadily growing – we look forward to receiving your application!
